### Le present perfect pour parler d'une durée ou d'un point de départ.

- For est utilisé pour parler d'une DUREE, Since est utilisé pour parler d'UN POINT DE DEPART.

- J'utilise un PRESENT PERFECT en anglais, mais je traduis par du **PRESENT** quand j'utilise FOR et SINCE.

**Dans ces phrases, on parle donc au présent, mais l'action à commencé dans le passé.**

**On parle donc bien de continuité passé-présent.**

Choose between FOR and SINCE :

_____ my birth	_____ a long time	_____ I was a baby
_____ 50 years	_____ two months	_____ Christmas
_____ two hours	_____ 2.00 pm	_____ your party
