Camping

Last Vacation, my family and I went camping. We reached the camping site after we walked for about one and half hour from the parking area. We built a camp next to a small river. It was getting darker and colder, so we set a bon fire]

The next day, we spent our time observing plantation and insects while the girls were preparing meals. In the afternoon we went to river and caught some fish for supper. At night, we had some fun activities. We sang, danced, read poetry, played magic trick, and some of us performed standing comedy.

On Monday, we packed our bags and got ready to go home. It was amazing vacation.
