

SUMA – LAS PESTAÑAS

A number line diagram showing three addition problems. The first problem is 48 + 14, the second is 18 + 36, and the third is 21 + 43. Each problem is represented by a number line with arrows indicating the addition process.

Diagram illustrating the addition of two numbers to find a sum:

$$\boxed{} + \begin{array}{r} 44 \\ 24 \\ \hline \end{array} = \boxed{}$$

$$\boxed{} + \begin{array}{r} 30 \\ 10 \\ \hline \end{array} = \boxed{}$$

$$\boxed{} + \begin{array}{r} 28 \\ 41 \\ \hline \end{array} = \boxed{}$$

The diagram shows three addition problems on a number line. The first problem is $35 + 14$, the second is $15 + 45$, and the third is $38 + 34$. Each problem is represented by a number line with arrows indicating the addition process.
