▶ Listen and practice.

- Eric** This apartment is great, Lara.
- Lara** Thanks. I love it, but I really need some furniture.
- Eric** What do you need?
- Lara** Oh, lots of things. For example, there are some chairs in the kitchen, but there isn't a table.
- Eric** That's true. And there's no sofa in the living room.
- Lara** And there aren't any armchairs, there isn't a rug . . . There's only this lamp!
- Eric** So let's go shopping next weekend!
