Madame Tussauds in London is very (3) _____. It's got a really (4) _____ collection of figures – over 400 in total!

The statues are all different. Some are very tall – the Incredible Hulk is 4.5 metres! But others are very (5) _____ like Tinker Bell from Peter Pan. She's only 16cm tall!

Many of the figures are statues of (6) _____ celebrities with a lot of money like Rihanna or Taylor Swift. But there are also people from the past like King Henry VIII of England!

* **Glossary: a waxwork** – a person made from wax. We use wax for making candles.
