2- Listen again and complete the lyrics:

Pay attention: (in blue: nouns related to writing songs and music)
(in red: verbs, tenses and structures)

I I some better sounds no one's ever heard — WISH + Simple Past = Souhait
I I a better voice that sang some better words
I I some chords in an order that is new
I I every time I sang — HAVE TO + B.V. = Obligation

I **when I** ____ older all my fears would shrink — I was told = On m'a dit (traduire 'ON')
But now I'm insecure and I care what people think — **when** + présent = 'quand je serai' (futur)

My name's Blurryface and I care what you think — 's = is (verbe être) ici
My name's Blurryface and I care what you think — care = pay attention to

Chorus:

we turn back time, to the good old days
When our momma us to sleep but now we
we turn back time, to the good old days
When our momma us to sleep but now we

We

Sometimes a certain smell will take me back to when I was young
How come I'm never able to identify where it's coming from
I'd make a candle out of it if I ever found it
Try to sell it, never sell out of it, I'd probably only sell one

WILL + B.V. = FUTUR

It'd be to my brother, 'cause we have the same nose
Same clothes, homegrown, a stone's throw from a creek we used to roam
But it would remind us of when nothing really mattered
Out of student loans and tree-house homes, we all would take the latter

My name's Blurryface and I care what you think
My name's Blurryface and I care what you think

Repeat Chorus

x2 (repeat verse twice)

We pretend, give each other different names
We a rocket ship and then we it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money"
Yeah

USED TO + B.V = habitude ds le passé

Would + B.V., ici = habitude dans le passé :
"We would build a rocket ship and then we'd fly it far away"
= « On construisait une fusée et on la faisait s'envoler ». = On avait l'habitude de jouer à ça.

Repeat Chorus

Used to play pretend, used to play pretend, bunny
We used to play pretend, wake up, you need the money
Used to play pretend, used to play pretend, bunny
We used to play pretend, wake up, you need the money
We used to play pretend, give each other different names
We would build a rocket ship and then we'd fly it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money"
Yeah
