Pay attention: (in blue: nouns related to writing songs and music)
(in red: verbs, tenses and structures)

		some better sounds no one's ever heard	WISH + Simple Past = Souhait
		a better voice that sang some better words	
		some chords in an order that is new	
		every time I sang	HAVE TO + B.V. = Obligation

I	<u>when</u> I	older all my fears would shrink	I was told = On m'a dit (traduire 'ON')
But now I'm insecure and I	care	what people think	when + présent = 'quand je serai' (futur)

My name's	Blurryface and I	care	what you think	's = is (verbe être) ici
My name's	Blurryface and I	care	what you think	care = pay attention to

Chorus:

we	turn back time, to the good old days
When our momma	us to sleep but now we
we	turn back time, to the good old days
When our momma	us to sleep but now we
We	

Sometimes a certain smell **will take** me back to when I was young
How come I'm never able to identify where it's coming from
I'd make a candle out of it if I ever found it
Try to sell it, never sell out of it, I'd probably only sell one

It'd be to my brother, 'cause we have the same nose
Same clothes, homegrown, a stone's throw from a creek we **used to roam**
But it would remind us of when nothing really mattered
Out of student loans and tree-house homes, we all would take the latter

My name's Blurryface and I **care** what you think
My name's Blurryface and I **care** what you think

Repeat Chorus

x2 (repeat **verse** twice)

We pretend, give each other different names
We a rocket ship and then we it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money"
Yeah

USED TO + B.V = habitude ds le passé

Would + B.V., ici = habitude dans le passé :
"We **would build** a rocket ship and then we'd **fly** it far away"
= « On construisait une fusée et on la faisait s'envoler ». = On avait l'habitude de jouer à ça.

Repeat Chorus

Used to play pretend, **used to play** pretend, bunny
We **used to play** pretend, wake up, you need the money
Used to play pretend, **used to play** pretend, bunny
We **used to play** pretend, wake up, you need the money
We **used to play** pretend, give each other different names
We would build a rocket ship and then we'd fly it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money"
Yeah
