

Oral Comprehension: ***Stressed Out*** by Twenty One Pilots

1- Listen to the song and watch the video clip

<https://www.youtube.com/watch?v=pXRviuL6vMY>

2- Listen again and complete the **lyrics**:

Pay attention: (in blue: nouns related to writing songs and music)  
(in red: verbs, tenses and structures)

I	I	some better <b>sounds</b> no one's ever heard	<b>WISH + Simple Past</b> = Souhait
I	I	a better <b>voice</b> that sang some better <b>words</b>	
I	I	some <b>chords</b> in an order that is new	<b>HAVE TO + B.V.</b> = Obligation
I	I	every time I sang	

I	<u><b>when</b></u> I	older all my fears would shrink	<b>I was told</b> = On m'a dit (traduire 'ON')
But now I'm insecure and I care what people think			<b>when + présent</b> = 'quand je serai' (futur)

My name's Blurryface and I <b>care</b> what you think	<b>'s = is</b> (verbe être) ici
My name's Blurryface and I <b>care</b> what you think	<b>care = pay attention to</b>

**Chorus:**

we	turn back time, to the good old days
When our momma	us to sleep but now we
we	turn back time, to the good old days
When our momma	us to sleep but now we

We

Sometimes a certain smell **will take** me back to when I was young  
How come I'm never able to identify where it's coming from  
I'd make a candle out of it if I ever found it  
Try to sell it, never sell out of it, I'd probably only sell one

It'd be to my brother, 'cause we have the same nose  
Same clothes, homegrown, a stone's throw from a creek we **used to roam**  
But it would remind us of when nothing really mattered  
Out of student loans and tree-house homes, we all would take the latter

My name's Blurryface and I **care** what you think  
My name's Blurryface and I **care** what you think

### Repeat Chorus

x2 (repeat **verse** twice)

We pretend, give each other different names  
We a rocket ship and then we it far away  
**Used to dream** of outer space but now they're laughing at our face  
Saying, "Wake up, you need to make money"  
Yeah

**USED TO + B.V.** = habitude ds le passé

**Would + B.V.**, ici = habitude dans le passé :

"We **would build** a rocket ship and then we'd **fly** it far away"  
= « On construisait une fusée et on la faisait s'envoler ». = On avait l'habitude de jouer à ça.

### Repeat Chorus

**Used to play** pretend, **used to play** pretend, bunny  
We **used to play** pretend, wake up, you need the money  
**Used to play** pretend, **used to play** pretend, bunny  
We **used to play** pretend, wake up, you need the money  
We **used to play** pretend, give each other different names  
We would build a rocket ship and then we'd fly it far away  
**Used to dream** of outer space but now they're laughing at our face  
Saying, "Wake up, you need to make money"  
Yeah

Songwriter: Tyler Joseph

**WILL + B.V. = FUTUR**

Selon moi, cette chanson parle de : (écrivez en français ce que vous pensez)
