

## Inusual family

In a natural paradise live some animals, one day while a tiny cricket jumps for green leaves the meerkat look for food, in a moment meerkat see a cricket and though "i'm hungry you are my dinner", the cricket say don't eat me please, - i ll carry to a

place with many food, -ok come on,  
two animals walk and walk an exhausted they  
decide sleep, suddenly one vulture see two bodies  
in the ground and he said hurray my lunch, he it  
close to animals and try bite then they wake up  
- no, please, we are live, said the cricket  
- ohh i' m sorry friends i'm hungry said vulture

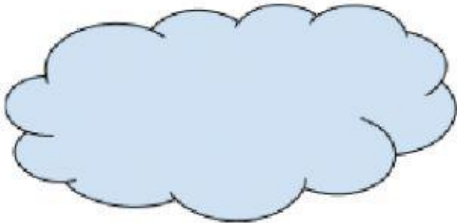

- don't worry vulture come with us,

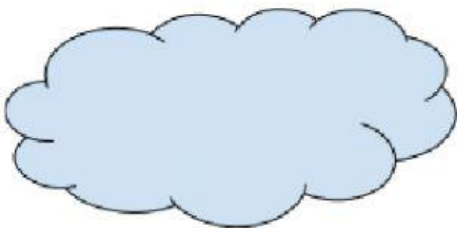

All three animals were together in a natural paradise, this story will continue.
