Which technology items have you got at home?

Los adverbios de frecuencia (always, usually) se usan para decir con **que frecuencia se realiza una acción.**

Always : siempre 100 %

Usually: generalmente 80%

Often: a menudo 70%

Sometimes: a veces 50%

Never: nunca 0 %

En este ejercicio debes escribir con qué frecuencia usan estos niños sus dispositivos. En las oraciones 2 a 4 se refieren a la 3ª persona del singular (he, she) debes poner una –s en el verbo “use” como en la primera oración. En las oraciones 5 y 6 se refiere a ellos “they” ya no tienes que poner las –s en el verbo.

1. Jack never uses a games console (never)
2. Karen _____ (usually)
3. David _____ (often)
4. Maya _____ (sometimes)
5. Max and Nur _____ (always)
6. Lucas and Emma _____ (never)

Values

Help people with technology.

Fíjate que los verbos en la columna 1 del ejercicio llevan una -s porque los sujetos son 3ª persona del singular (he): prints, turns, uploads, posts..... Matt también es 3ª del singular porque es él (he).

Traducción

Verbos:

Print: imprimir
 Turn on: encender
 Upload: subir, golgar
 Post: publicar en internet
 Write: escribir
 Turn off: apagar

Sustantivos:

laptop: portatil
 comment: comentario
 photos: fotos
 advertisement: anuncio

En este ejercicio tienes que escribir los que los niños hacen **regularmente** (**presente simple**) por eso las oraciones tienen adverbios de frecuencia **always, sometimes, often y usually**. Recuerda añadir la -s al verbo. También tienes que escribir los que está haciendo **hoy "today"** (presente continuo) Es lo mismo que hemos trabajado en clase en la unidad 1.

Fijate en el ejemplo hecho en las oraciones 1.

Al verbo "go" (ir) se le añade -es con la 3ª persona del singular **"goes"**
