**Read the following passage and mark the letter A, B, C or D to indicate the correct answer to each of the questions.**

Every year students in many countries learn English. Some of these students are young children. Others are teenagers. Many are adults. Some learn at school, others study by themselves. A few learn English just by hearing the language, in film, on television, in the

office, or among their friends. But not many are lucky enough to do that. Most people must work hard to learn another language.

Learning another language! Learning English! Why do all these people want to learn English? Is it difficult to answer that question? Many boys and girls learn English at school because it is one of their subjects. They study their own language and Mathematics...and English (In England, or America, or Australia, many boys and girls study their own language, which is English, and Mathematics, and another language, perhaps French, or German, or Spanish)

Many adults learn English because it is useful for their work. Teenagers often learn English for their higher studies, because some of their books are in English at the college or university. Other people learn English because they want to read newspapers or magazines in English.

**Question 27:** According to the writer, \_\_\_\_\_ .

- A. only adults learn English.
- B. no children like learning English.
- C. English is only useful to teenagers.
- D. English is popular in many parts of the world.

**Question 28:** Many people learn English by \_\_\_\_\_ .

- A. watching videos only
- B. hearing the language in the office
- C. working hard on their lessons
- D. talking with the film stars.

**Question 29:** Many boys and girls learn English because \_\_\_\_\_ .

- A. English can give them a job.
- B. It is included in their study courses.
- C. their parents make them.
- D. they have to learn their own language.

**Question 30:** In America or Australia many school children study .....

- A. such foreign languages as French, German, and Spanish
- B. English as a foreign language
- C. English and Mathematics only
- D. their own language and no foreign language

**Question 31:** Many adults learn English because .....

- A. their work is useful
- B. they want to go abroad
- C. most of their books are in English
- D. it helps them in their work
