✚ We live in a world full of different cultures, today we are going to learn about the routine of Muslim people.

Hi, my name is Amira, I am 11 years old and I am Muslim. Today I am going to tell you about my daily routine.

I always get up at 4 o'clock in the morning because I have to pray.

Muslim people pray five times in a day and before pray I make "wudu" where I wash my hands, face, elbows and feet so I am clean to do it. I never pray without making "wudu".

After doing my prayers in the morning, I have breakfast, then I go to school.

At noon I pray, and then I have lunch with my parents. After that, I always do my homework, then I take a nap and sometimes I go with my friends and play all together outside.
