

MY DAILY ROUTINE.

Hello everyone! I'm Okura, I'm 11 years old and I'm Japanese; today I'm going to tell you about my daily routine. In the morning I get up at 6 am, then I meditate.

Then, I have breakfast, wash my teeth and after that I get dressed to go to school. I go to school from Monday to Saturday and we always clean the classrooms, backyard, and bathrooms.

At noon we have lunch at school with all my classmates. After that I go back to classes. And after school I have extra activities in a tennis club. I really like tennis, but I don't like football.

Sometimes, I go under a tree with my friends for hanami in the evening. Hanami is a Japanese tradition where people contemplate the beauty of the trees.

After hanami, I do my homework, have dinner with my family. For dinner I really like to eat sushi. I never eat meat, I don't like it.

Sometimes we eat our food with chopsticks and finally I go to bed and sleep.
