GVI is an _____ driven _____ we've got freaky _____, That's global awareness its impact on the ground, and its empowerment. So that our alumni can go on and keep making impact into their own _____ away from GVI with our _____.

You know we really get the skills to make a _____, anywhere, in the _____, and because there's so many _____ people, we can spread that everywhere.

All our projects have _____, _____ or _____ objectives, those are set with our partners. We define the problem and see what _____ we want to put in _____.

For the impact on the ground, we _____ it by the UNMDGs now UNSDGs, and we look at _____ and _____. We look at primary education, we look at child health and maternal health. We look at gender _____, major disease awareness, _____ sustainability, and _____ partnerships, and for all of our programs, we're looking at those objectives, and we're quantifying the impact, and in some places qualifying that impact as well.

_____ here has a _____ for what they're doing. It's really nice being part of like the _____ doing conservation. It's awesome.

We've now worked with over _____ volunteers and all those volunteers have gone around the world, and some of them are still working on these objectives. We've worked with nearly 150,000 _____ members within a range of _____, and a lot of those are using that extra training to improve their own livelihoods our own _____.
