I hate feeling .....this

I'm so tired of trying to fight this

I'm asleep and all I ..... of

Is waking to you

Tell me that you will .....

Your touch is what I'm missing

And the more I hide I ..... I'm slowly losing you

Comatose

I'll never .....up without an overdose of you

I don't wanna .....

I don't wanna breathe

'Less I feel you ..... to me

You take the pain I feel

Waking up to you .....felt so real

I don't wanna .....

I don't wanna .....

'Cause my dreams don't comfort me

The..... you make me feel

Waking up to you ..... felt so real

I hate living ..... you

Dead wrong to ever doubt you

But my demons lay in waiting

Tempting me away

Oh how I adore .....

Oh how I thirst for you

Oh how I ..... you

Breathing life

Waking up

My ..... open up
