|--|---|
| <input checked="" type="checkbox"/> 1) Father — a general practitioner | A to be responsible for company's personnel |
| <input type="checkbox"/> 2) Mother — an HR manager                     | B to design new buildings                   |
| <input type="checkbox"/> 3) Brother — an architect                     | C to give people medical care               |
| <input type="checkbox"/> 4) Uncle — a stockbroker                      | D to work on TV                             |
| <input type="checkbox"/> 5) Me — a presenter of a television programme | E to buy and sell stocks and shares         |

Everyone in my family has a different type of job. My father is a general practitioner <sup>(1)</sup> and he \_\_\_\_\_ <sup>(2)</sup> in the local medical centre. My mother works as an \_\_\_\_\_ <sup>(3)</sup> and she \_\_\_\_\_ <sup>(4)</sup>. My elder brother trained to be an \_\_\_\_\_ <sup>(5)</sup>. He \_\_\_\_\_ <sup>(6)</sup> in the place we live. I also have an uncle who lives in London and works as a \_\_\_\_\_ <sup>(7)</sup>. His job is \_\_\_\_\_ <sup>(8)</sup>. As for me, I'm still at school and I want to be a \_\_\_\_\_ <sup>(9)</sup>. My dream is \_\_\_\_\_ <sup>(10)</sup>, maybe in some talk show or at least to tell about a weather forecast!
