II Read the text about two friends

I am Chita. This is a photo of me and Nina. Nina is my friend. She is tall and thin. She has got long blonde hair. Her hair isn't curly, it is straight. We go to the same school. Nina isn't in my class. I'm nine. Nina is eleven. Her birthday is in December. She usually has a big party with her friends on that day. We sing songs, dance and take nice photos. Also, we like playing games in the yard. The weather is snowy and we can play snowballs or make a funny snowman. There are lots of presents, too. There are books, computer games and chocolate. Nina is happy. Today is Nina's birthday. I have got balloons and a beautiful cake for Nina. There is a guitar on the top. Nina likes playing the guitar. It's her hobby. Happy birthday, Nina!
