My favourite day of the week is Saturday, because it's the first day of the weekend!

I get up very early **during** the week, so on Saturday it's nice to get up late, and I always stay in bed **until** about 10.30. **Then** I usually go shopping with a friend. In Spain a lot of shops are closed on Sundays, so Saturday is the only day for shopping. We don't always buy something, but we have fun just looking.

I often have lunch at my mother's house, with her and my brother. It's great, because my mum is a really good cook – she always makes things we like, and my brother and I have time to talk about our week. **After** lunch I sometimes study **from** about 4.00 **to** 6.00, especially if I have exams.

In the evening I usually go out with my friends. We often go to the cinema, and **after that** we have a pizza or *tapas*. I never go to bed **before** 1.00, or sometimes later.
