#### DALGONA COFFEE

##### INGREDIENTS :

1. 2 tablespoons granulated sugar
2. 2 tablespoons instant coffee
3. 2 tablespoons cold water
4. Ice
5. Milk

##### DIRECTIONS :

1. In a medium bowl, combine sugar, coffee, and water. Using a hand mixer or a whisk, vigorously whisk until mixture turns silky smooth and shiny, then continue whisking until it thickens and holds its lofty, foamy shape. (If whisking by hand, it will take 8 to 12 minutes to get to optimal fluffiness.)
2. Fill a glass most of the way full with ice and milk, then dollop and swirl the whipped coffee mixture on top, mixing before drinking, if desired.

20. Why do we need to whisk the mixture around 8 to 12 minutes by hand?
  - A. To blend the water and the milk.
  - B. To mix the milk and the coffee maximally.
  - C. To get the optimal fluffiness from the mixture.
  - D. To smoothen the mixture of granulated sugar and the coffee.

21. What should we do to make this recipe quickly?
- Whisk the mixture using a mixer
  - Vigorously whisk the mixture by hand.
  - Add more warm water to make it foamy.
  - Use a blender to increase the fluffiness of the mixture.

22. "... , then dollop and swirl the whipped coffee mixture on top, ..." (Direction 2)

What is the meaning of the underline word?

- Boil the ingredients.
- Measure the ingredients well.
- Stir The mixture continuously.
- Add casually without measuring.
