Hello!

I am writing this letter to describe my school: Bill Watterson's school. It's a primary school. I like my school. It is a bit old, but it's cool. The teachers are nice, and we have lots of activities, so we never get bored.

There are interesting places to go. There is a big playground. Some pupils like going there after classes to play football. That's my favourite sport: I call it *Calvinball*. I created my rules...

There is also a library with lots of old books. In the library there aren't only books; there is a television, a computer and some magazines. We can play chess or even cards in there.

Then there are classrooms. They are so many. There is one computer room. Pupils can go there to do their project works or homework. This is the best place for me. Finally, there is a music room. I play the flute. I think I play it well, but my teacher doesn't think so.

I really like studying here. My favourite subjects are English and Maths.

I love my timetable. I get up at 7:25 to come to school every day. I have classes at 8:20. I finish at 3 p.m. every day. It gives me time to do after-school activities like theatre. I am studying languages and I go to the Language Club three times a week. There I can read magazines in German and French, watch a foreign video and listen to music.

Write to me soon.

Your friend,

Calvin
