

TREASURE HUNT

 **LIVEWORKSHEETS**

GROUP A

Riddle #1

It's full of water, The color sometimes changes
depend on the wether, it is a place for some habitat
such as cat fish and frog, we also could swim on it
but in our shcool it is usually use for
rafting/canoeing traning.

Answer

it's a?

Riddle #2

the color usually in bright color, it won't sink, it is not heavy but could carry heavy things, it could be use in sometimes in our school for outbond activities, it could be use in a pond, its made of plastics

it is a
