Yesterday I woke up at 7.00 and then I had **1** ..... with my family. We usually have coffee and cookies, but today I drank tea and ate some **2** ..... pancakes my dad made. He used the best **3**.....: fresh fruit, flour, eggs, milk and sugar.

Then, I went **4**..... with my family. We bought shoes, clothes and some toys for my little brother. Then we went to the park and he played in the **5** ..... He loves the games there!

Today I had a special lunch with my uncle and cousins. We went to a famous **6** ..... where they make delicious food and desserts too. My uncle is usually very busy, because he works in the city hall... he's the **7** ..... of our city. He makes important decisions to make the city a better place. He told us about a new public **8**..... that will open next week. I'm excited because I can go there and read some books about planets, the stars, galaxies and comets... I love learning about the **9** ..... When I'm older, I want to be an **10**..... an travel into space in a modern spaceship.
