Name_____Date_____Period _____

"Nosedive" Pre-Viewing

How does it feel when something you post on social media gets a lot of likes?

How does it feel when something you post on social media gets very few or no likes?

Have you ever deleted and reposted something because it did not get enough likes?

Have you ever deliberately not liked something someone posted because you were mad at them?

How long do you think you could make it without social media?

Have you ever considered deleting or deactivating some or all of your social media accounts?

Underline any words that describe how you feel using social media. Circle **one** word that most describes how you feel.

Happy	Friendly	Mad
Popular	Tired	Stressed
Relaxed	Jealous	Petty
Angry	Bored	Nothing
Overwhelmed	Unpopular	Fake
Authentic	Listened to	Ignored

Explain why you circled the word you did.
