"Ask you dad," Grandad said.
"Yes," said Dad, "what film do you want?"
"One with a big, red dog," said Britt
"No Sis, no with a soft, wet frog," said Frank.
"Not a problem for me," said Dad.
"One with a pet pig who lost his pen", said Frank.
"No Bro, one with a hip Hippo and his hotrod," said Britt.
"Not a problem for me," said Dad.
"A fat rat, a full bull, and a hungry hog," said Britt with a wink.
"or a tall rat swimming in a pond on the sun," said Frank with a sly grin.
"Not a problem for me," said Dad.
"What? You will get a film with all that?" said Britt and Frank.
"No," said Dad, "I said it's not a problem for me."
"Who is it a problem for then?" asked Britt and Frank.
"Mom," grinned Dad.
