Want to get rid of all that **junk** in your closets, basement, and garage? If you have things that you're not using anymore, consider **donating** them to HelpingHouse rather than throwing them away. Used items in good condition can be difficult to **come by**, so one person's old items can be just what another person is looking for. We resell your items, and the money from the sales benefits the homeless. Call 555- HELP (4357) for pick up of large items.
