4			

Complete the text with words from the table.

Dubai is a very multicultural city in the <sup>1</sup>\_\_\_\_\_. People come here to work from many different countries. Only 10% of people in Dubai are <sup>2</sup>\_\_\_\_\_: 90% of the city's population are from other countries. Some people come from the UK and the <sup>3</sup>\_\_\_\_\_, but many people are from Asia. India is home for most of Dubai's workers, but people come from <sup>4</sup>\_\_\_\_\_ and the Philippines, too. The language of the United Arab Emirates is <sup>5</sup>\_\_\_\_\_, but because of its international population, lots of people use <sup>6</sup>\_\_\_\_\_.
