On Saturday, we **didn't** wake up early, and we **spent** time on the beach, I **rode** the banana boat and **swam** all day, we **met** nice people there. In the afternoon we **watched** a beautiful sunset and **ate** so much seafood that I **didn't** feel very well at night.

On Sunday, we **decided** to go to the aquarium, it **was** very interesting. I **bought** some souvenirs for you. I **took** many photos. I hope you like them.

Love,
Ellen
