When moonlight crawls along the street
Chasing away the ..... heat
Footsteps outside, somewhere below
The ..... revolves, I've let it go
We build our ..... above the street
We practiced love .....these sheets
The ..... sweetness scent of you
It bathes my ....., I'm stained of you
And all I have to do is ..... you
There's a racing within my heart
And I am barely ..... you
Turn the lights ..... low
Take it off, let me show
My ..... for you insatiable

Turn me on, ... stop
Wanna ..... every drop
The moonlight plays upon your skin
A ..... that lingers takes me in
I fall ..... inside of you

There are no words, there's ..... truth

Breathe in breathe out, there is no sound

We move ..... up and down

We levitate our bodies soar

Our feet don't even ..... the floor

But ..... knows you like I do

'Cause the world may not understand

That I grow ..... in your hands

We never ....., we're always holding hands

Kissing for hours talking and ..... plans

I feel like a ..... man, just being in the same room

We never ....., there's just so much to do

So much to .....can't close my eyes when I'm with you

Insatiable the way I'm loving you, oh baby, yeah
