Dear Nick,

How \_\_\_\_\_ you my friend? I hope everything is okay with your job and your \_\_\_\_\_. Have you been safe during this crazy time? Send me a letter and let me know!

For me, life has been slow during the coronavirus, but I \_\_\_\_\_ really excited for summer. Currently I \_\_\_\_\_ in Madrid, but I \_\_\_\_\_ be in Chicago from June 15th, until \_\_\_\_\_ starts again in Madrid. So, in a short time I \_\_\_\_\_ move out of my flat here in Madrid and I \_\_\_\_\_ going to be back in America soon. My parents told me that \_\_\_\_\_ are going to move out of our house and change neighborhoods because \_\_\_\_\_ dad will be promoted. He will be the manager of a new store that is going to \_\_\_\_\_ soon.

It is a little complicated for me, I \_\_\_\_\_ have to prepare my mind for a new change. I \_\_\_\_\_ have to move all of my things from my \_\_\_\_\_ to a new house and that is going to be uncomfortable. But, the \_\_\_\_\_ house will be closer to the beach, so at least we will be able to go to the beach all of the time!

After we move out of our house, we \_\_\_\_\_ going to have to buy new things for our new house. So, we are going to \_\_\_\_\_ shopping to find decorations for the new house. We \_\_\_\_\_ begin a new life in a \_\_\_\_\_ place. I hope you \_\_\_\_\_ come visit! When you come over to my new house we will go to the beach and we will walk around the neighborhood. \_\_\_\_\_ am going to be waiting for \_\_\_\_\_ to visit! When you come we will have a lot of fun!

I am excited to see you this summer!

Joey
