These days, Coronavirus disease (Covid-19) is very dangerous so you actively take preventive measures to fight the pandemic. You should wear a mask properly, keep a distance of more than 2 meters while in contact and avoid crowded places. Don't organize group gatherings, parties with the participation of many people at the place of residence. Besides, you wash your hands frequently with soap under running water at least 30 seconds. If soap and water are not available, you use alcohol-based hand sanitizer (at least 60% alcohol); avoid touching your eyes, nose and mouth with unwashed hands. You also clean floors regularly and other household objects with soap. Don't forget to keep your body warm, eat **nutrient foods**, drink enough water, rest and exercise. Finally, if you are self-isolating at home, please try not to go out of the room and limit direct contact with other family members and other people.

19. It is necessary to take preventive measures to fight Covid-19 pandemic these days.
