LIVEWORKSHEETS

V. Read the passage and circle the correct answers

Advertisements are very important in the modern world. Often your T-shirt or jeans show the name of the company that made them. This is a popular form of advertising. A special picture or symbol, called logo, is sometimes used.You see logos on many different products. The idea of a logo is that whenever you see it, you think of that product or company.Many people like to buy a product because it is made by a certain company. Some people only buy a product that is made by a famous company. People wear clothes and carry bags that have a famous label to show that they are fashionable and have good taste.It is very common to see advertisements on TV and hear them on the radio. Most advertisements are only a few seconds long but very attractive. Sometimes, the advertiser uses a slogan because it is easy to say and easy to remember. The idea of advertisements is to try to make you buy the product. They sometimes show rich and famous people using that product. The message is, if you want to feel rich and famous, then buy this product.
