Hi! My name's Sophie and I love music. I'd like to hear from other SuperSummer fans! Send me a message! I don't listen to much rap but I love listening to any pop music! SuperSummer are the best band around at the moment, I think. I love listening to their music with my friend, Carla. We often do that and we really liked their last album, *Alone*. Did you? I like Zed best. He usually plays the guitar but on their last album, he also played the drums. Carla's a bigger fan of Jack, the one on keyboards. Carla wants to play that instrument really well too, but she's still learning. I had my first lesson on the guitar last week. My fingers hurt so much! Carla and I couldn't go to SuperSummer's last concert in the park! Were you there? Tell us about it @sophienclara97!
