

## GET USED TO IT (JUSTIN BIEBER)

### I. COMPLETE THE SONG WITH THE WORDS THAT YOU HEAR.

Subjected to my system  
Reflecting on the days  
When we \_\_\_\_\_ to be just friends  
Protected both our interest  
Our trust was in a bank  
That's where our \_\_\_\_\_ were safe

And then we got closer  
\_\_\_\_\_ from my ex  
So we got closer  
Oh, in every visit  
Feelings got \_\_\_\_\_  
Now this is out our hands  
Our love is here to stay

So get used to me \_\_\_\_\_ in  
All day  
Get used to me \_\_\_\_\_ through  
Just to see your face  
There ain't a moment  
I won't need your brace

Get used to me \_\_\_\_\_ you  
Get used to me \_\_\_\_\_ you  
Oh get used to it, eh  
Oh get used to it, eh  
Oh get used to it, oh and oh  
Get used to me holding you  
Get used to me woeing you

Throughout October

Keep growing closer

I ain't going nowhere

I ain't going nowhere, oh no

I ain't going nowhere

I ain't going nowhere, oh no

Put your faith in me

I'll be all \_\_\_\_\_ need, I swear

Yeah yeah

I'm gonna be right here, yeah

So get used to me \_\_\_\_\_ in

All day

Get used to me falling through

Just to see your face

There ain't a \_\_\_\_\_

I won't need your brace

### CHROUS

I know you getting used to it

I know you getting used to it

(Get used to it)
