The Olympic Anthem is played at the opening and closing ceremony of the Olympic Games. It has a long and interesting history, just like the Games themselves. It started out as the poem ""Ancient Immortal Spirit", written in 1893 by Kostis Palamas a famous Greek poet. In 1896, it was set to music by the famous Greek composer, Spyros Samaras. It was played at the first modern Olympic Games in Athens in 1896. Since then it has been translated into many languages and for many years different anthems were played at the Olympics. Then in 1958, the International Olympic Committee decided to adopt it as the official Olympic Anthem, and it has been played at every Olympic Games ever since.
