## 5 Read and answer the questions

You probably know that to be healthy you have to eat a balanced diet to make sure you get all the vitamins and minerals your body needs. Three of our subscribers share their favourite healthy dishes with us.

Ella, Brighton    NUT ROAST

I'm vegetarian, so I don't eat any meat or fish. My favourite dish is nut roast. It's made with lots of nuts, onions, eggs, herbs and breadcrumbs. You cook it in the oven for about an hour. It's delicious served with lots of vegetables.

James, Glasgow    PORRIDGE

I love porridge for breakfast, especially in winter. Porridge is made with a cereal called oats. It's really quick and easy. I put the oats in water and cook them for about two minutes. Then I add some honey, banana and berries. Mmmmm!

Alesha, Manchester    GREEN PASTA

Green pasta is a delicious, healthy meal. You cook pasta, spinach, peas, green beans and broccoli all together. Then, in a frying pan you gently cook olive oil, garlic and chilli. You drain the pasta and veg and pour the oil over the top. Delicious!
