

# Christmas is LOVE

## BY DAMON ROBINSON

Where will you .....  
When sleigh bells ring  
When snowflakes ..... to fall  
Will you be here  
To ..... with me  
When Santa comes to call

The Christ child was ..... on this day  
So we could be saved come what may

Won't you ..... home  
This is your place  
You're not on your own  
The whole ..... knows  
That Christmas is the love  
That we feel inside  
Christmas, that beautiful ..... in your heart.

The chilly .....  
The caroling  
The children in the .....  
The Christmas tree  
The holly .....  
There's even mistletoe

The wise men ..... he'll be king  
And free us from all this suffering

So won't you ..... home  
This is your place  
You're not on your own  
The whole ..... knows  
That Christmas is the love  
That we feel inside  
Christmas, that beautiful ..... in your heart.

So won't you ..... home  
This is your place  
You're not on your own  
The whole ..... knows  
That Christmas is the love  
That we feel inside  
Christmas, that beautiful ..... in your heart.

So won't you ..... home  
This is your place  
The whole ..... knows that  
Christmas is Love
