ROBBERY SUSPECT ARRESTED LESS THAN AN HOUR AFTER THE THEFT OCCURRED

On Monday 24th September 2018, robbery has happened around midnight. An eyewitness said that the suspect rides his red pickup truck and wearing a black outfit from head to toe.

The suspect was breaking into the house by damaged the window frame near the kitchen. The victim, Potter's family, said that the suspect gets to take some jewelry and rare pottery and porcelain from their house on Pochinki Street, right before they heard some noises downstairs and discovered the robber.

Mr Potter immediately calls the police and get the police to their house 10 minutes after the call. After 10 minutes gathered some information, the police search around the neighbourhood and found the red pickup truck and the suspect matched identity while he filled up his gas not later than 1 hour after the robbery he did.

The suspect turns out used to be the Potter family's driver until he fired for taking the family car for four days without notice. The motive was to get revenge because the suspect can't accept he must lose the job. The suspect later brought in by the police to the jail to take further actions.
