

FRIDA KAHLO: Past Simple

REMEMBER:

- Para fazer o PAST em English tiramos uns verbos moi majos que só engadían -ED (case sempre, algunha norma tiñan):
- Se acababan en -E só engadíamos -D (example: live - lived).
 - Se acababan en consoante+vocal+consoante tiñamos que repetir a consoante e engadir -ED (example: stop - stopped).
 - Se acababan en consoante+Y tiñamos que cambiar a -Y por -I e engadir -ED (example: study - studied).
