

1. Topic 1: Talk about your school.

Hello, teacher and class. My name is Long. Today, I'm going to talk about my school. Its name is Vo Thi Sau Secondary School.

My school is on Ba Thang Hai Street, Ward 6, Ca Mau City. It is big and beautiful. There are about 22 classes and more than 1000 students. The teachers here are very kind and caring. They're always ready to help us when we need it. The students are friendly and active. They take part in activities enthusiastically. The thing I like the best about my school is the playground. Because I can play with my close friends there at break time. It's really large and pretty.

That's all I want to say about my school. Thank you for your attention.

He's my classmate. He's 11 years old. He lives in Ward 9, Ca Mau City. He's tall and slim with a round face and short black hair. He is hard-working. He always does all his homework before school. He is a kind person. He's ready to help everyone around him. Moreover, he is very active. He takes part in activities enthusiastically. In his free time, he usually plays computer games or goes swimming. He's good at maths. Both of us like maths. So we often do maths homework together. Besides, we can share everything about life. 3. Topic 3: Talk about your neighbourhood

Hello, teacher and class. My name is Long. Today, I'm going to talk about my neighbourhood.

I live in Cluster 8, Ward 8, Ca Mau City. There are many things I like about my neighbourhood. The weather is cool all year. It's in the centre of the city, so there is everything I need: shops, restaurants, supermarkets and amusement areas. The people here are very kind and friendly. Ca Mau is also a food land. The food is very delicious and diverse. I like bun leo the best.

However, there is one thing I dislike about it. There is a lot of traffic at rush hours. That's all I want to say about my neighbourhood. Thank you for your attention.
