

Exercise 7

It is important that you support the information with accurate numbers (data) when completing IELTS Writing Task 1.

Look at the bar chart and table. Then put the numbers in the correct gaps to complete the sentences.

120,000	2	24	245,000	61,000
---------	---	----	---------	--------

- The USA had the most foreign students, rising from approximately 179,000 in 2004 to around _____ in 2012.
- The percentage of foreign students in the USA was lowest of all countries during both years, at _____ %
- The percentage of foreign students was highest in Australia at _____ % of total student numbers in 2012.
- Canada had the lowest number of overseas students in both years, with 41,000 in 2004 and approximately _____ in 2012.
- Student numbers in Australia and the UK were similar in 2004, at around _____ .
