

Exercise 9

Look at the IELTS Writing Task 1 question.

The chart gives information on the percentage of women going into higher education in five countries for the years 1970 and 2005.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Then read the statements below and decide which points need to be included in your report. Choose the correct answers.

1. The UK figure was 60% in 2005.

- ☐ Yes
- ☐ No

2. In Germany, the percentage increased from 50% to 55%.

- ☐ Yes
 - ☐ No
- 3. The percentage of women studying in the UK rose from approximately 35% to 60%.
