I chatted with a bunch of people last night. Before that, I visited a friend of mine who listened to me rant for almost 1 hour. I decided that I wanted to go home, so I stopped my rant and followed my heart. When I arrived home, I filled up a bowl with chips, cheese, and chopped bacon. The improvised dish tasted really good, so after I scarfed my food, I decided to make some more. I finally relaxed and binge-watched an entire season of my favorite TV show.
