

Way Back Into Love

1) Supply the correct **Present Perfect Continuous** in the blank spaces below:

with a shadow overhead

with a cloud above my bed

I've been lonely for so long

Trapped in the past, I just can't seem to move on

Just in case I ever need 'em again someday

I've been setting aside time

To clear a little space in the corners of my mind

All I wanna do is find a way back into love

I can't make it through without a way back into love

_____, but the stars refuse to shine

_____, but I just don't see the signs

_____ for someone to shed some light

I can't make it through without a way back into love
