2 Listen and fill in the gaps

I'm done myself for feeling
 I'm done myself awake
 I've gotta leave and start the healing
 But when you move like that, I just wanna stay
 What have I? Looking through your phone (now oh now)
 Love to you just a game
 Look what I have done, the numbers on you
 I don't want my heart, baby

"How Do You Sleep?"
 I'm done hating myself for feeling
 I'm done crying myself awake
 I've gotta leave and start the healing
 But when you move like that, I just wanna stay
 What have I become? Looking through your phone (now oh now)
 Love to you just a game
 Look what I have done, dialing up the numbers on you
 I don't want my heart to break, baby

How do you sleep when you lie to me?
 All that shame and all that danger
 I'm hoping that my love will keep you up tonight
 Baby, how do you sleep when you lie to me?
 All that fear and all that pressure
 I'm hoping that my love will keep you up tonight
 Tell me, how do you?

Love will keep you up tonight
 Tell me how do you?

On no, how did I manage to lose me?
 I am not this desperate, not this crazy
 There's no way I'm sticking round to find out
 I won't lose like that, I won't lose myself
 Look what I've done
 Dialing up the numbers on you
 I don't want my heart to break, baby

How do you sleep when you lie to me?
 All that shame and all that danger
 I'm hoping that my love will keep you up tonight
