

Unit Test 5 and 6

I. Multiple Choice

Read the text below to answer no 1-5.

Where are the Animals' Homes?

Animals have many different homes. I have a pet kitten. It lives in my home. I also have pet goldfish. They live in a tank of water! Lots of other animals live in water. Jellyfish and starfish live in the ocean.

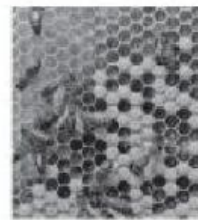

Eagles and other birds make nests in trees. Trees are homes for lots of other animals, too. Opossums live in tree hollows.

Where's the bird?

It's in the nest!

Some animals make their homes. Honeybees make a hive. Then they make honey in it.

Where are the honeybees?

They're in the hive.

Other animals find their homes. Some crabs live in old seashells.
