

Alice Is Sick

It is 7 a.m. Alice is sick. She has a sore throat and a bad headache.

Alice is a receptionist. She works in a small office. She does not get sick days or personal days.

She wants to stay home and rest. But she will not get paid. What should she do?

What should Alice do?

Stay home and rest.

Take some medicine. Then, go to work.

Go to work. Then, go home early.
