Chicago is next to a big, beautiful lake, Lake Michigan. In the summer this lake is warm and blue, but in the winter it is cold and grey. Snow covers the beaches and ice covers the water.

On a cold January day last year, Jimmy and his father were playing in the snow on a beach by the lake. Jimmy was four years old. He pushed a board down a hill and it went onto the ice of the lake. Jimmy ran after it. He ran onto the ice, but suddenly, the ice broke and he fell into the cold water. His father jumped into the water and pulled Jimmy out after twenty seconds. Later, at the hospital, doctors put Jimmy in bed and gave him some medicine. They wanted Jimmy to sleep. After two days Jimmy was better. He is a strong little boy.
