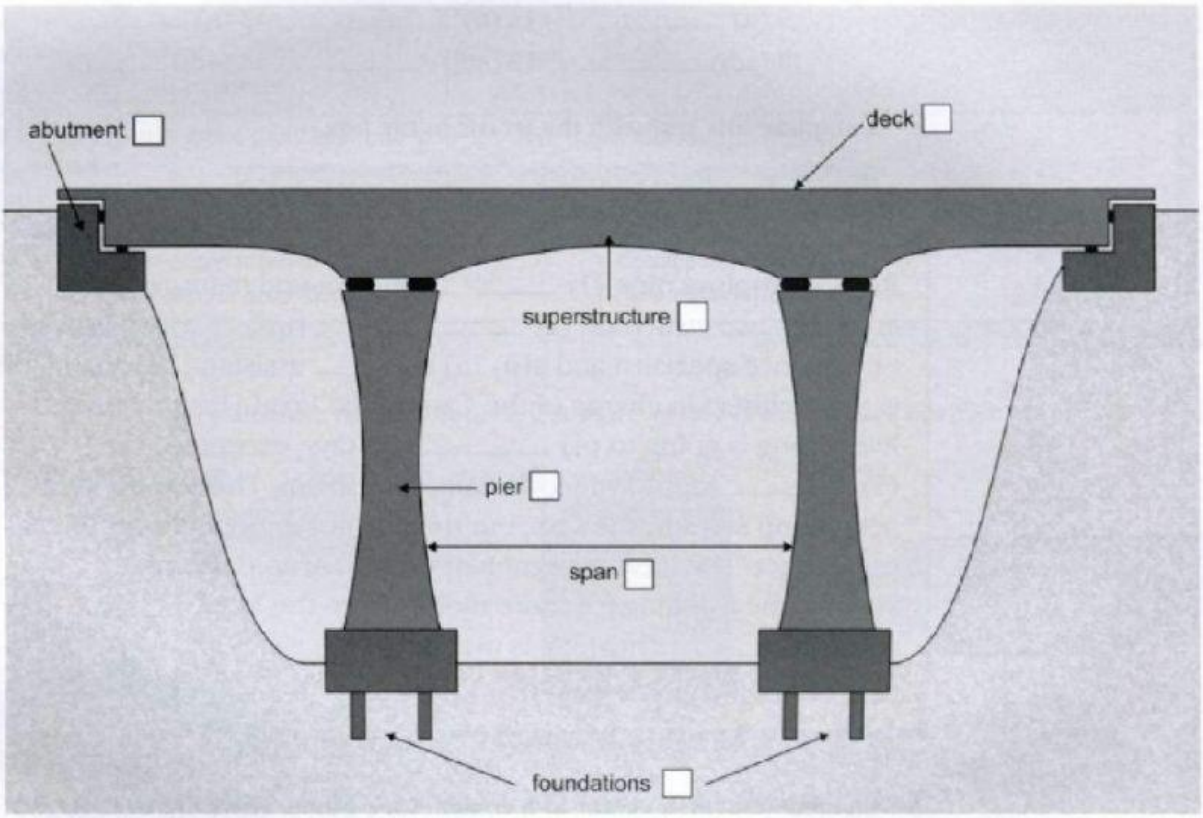
- write quantities

Planning a project

Listening **1** 47 Listen to a project manager explaining the schedule for a beam bridge and look at this diagram. Tick ✓ the four words you hear.



2 Are these sentences *true* (T) or *false* (F)? Correct the false sentences.

1 The deck is above the superstructure. (T / F)
2 The piers are below the foundations. (T / F)
3 The superstructure rests on the piers and abutments. (T / F)
4 The bridge has three abutments. (T / F)

Vocabulary **3** Match 1–5 to a–e to make word pairs.

1 project	a) preparations
2 beam	b) bridge
3 design	c) ceremony
4 site	d) schedule
5 opening	e) phase
