

Hi kids! I have a problem...

There's a great, **BIG**, hairy, black spider in my bedroom!!

Or is it a black, big, hairy, great spider? Well, in English, the order of adjectives is very important, so let's practise while I get rid of the spider...

Here is a guide that will help you to arrange the adjectives in order.

And here's another example:

Yesterday I bought a BEAUTIFUL, small, new, pink French, plastic, hair brush.

Before you start practising, you may also want to watch the videos below.

These should take less than 10 minutes
