## STUDENT ACTIVITIES II

The flowers around Lani's house look very lush and colorful. Lani is very diligent in caring for flowers. He watered it every day and fertilized it regularly. These flowers make Lani's home environment beautiful and cool to the eye. Several types of fragrant flowers make the air smell good in Lani's home environment, namely roses, orchids and lotuses.

Every plant has parts that are beneficial to other living things. Among these plants, there are flowers.

### **ANSWER THE FOLLOWING QUESTIONS ACCORDING TO THE TEXT!**

1. WHAT ARE YOUR OBLIGATIONS TO PLANTS?

ANSWER:

2. MENTION THE BENEFITS OF FLOWERS!

ANSWER:

3. WHAT ABOUT THE FLOWERS AROUND LANI'S HOUSE?
